

**Nothing's  
too far**

# Way to go

For everything that you need to move

From single package to bulk cargo and Odd Dimensional Cargo projects, the MATA team has been meeting client logistic needs for over three decades now.

Equipped to take on every challenge across any terrain in India, MATA is geared to meet your logistics needs, including turnkey projects. With cutting-edge technology, leading customer-relations practices and one of the most experienced teams in the industry, Mata can make a winning difference in achieving your growth vision.

2 Decades

350 branches

400 self-owned vehicles

5000+ associated fleet

2000 people strength

1.5+ million sq ft of warehousing space across India

25+ hubs

400+ loadings per day pan India

20000+ packages delivered daily

Approx. 3000 trucks moving cargo at any given time

## The difference

At the heart of MATA's immaculate delivery process are the 4 key edge areas that form its delivery quadrant.

**Geographical-Mastership:** Deep presence across every state and union territory and an efficient network of partners internationally gives MATA a great edge of Geographical mastership. This strategic understanding of the country enables astute planning and timely delivery.

**Engineering-Led:** MATA offers one of industry's leading engineering capabilities across civil, mechanical and electrical engineering functions to deliver superior outcomes through ODC cargo planning, overcoming route challenges, vehicle modification, etc.

**Technology-Next:** Leveraging technology in every aspect of delivery process with data analytics, GPS tracking, data driven fleet health management and technology driven customer care.

**Talent-Pro:** Experienced, qualified and well trained team that functions seamlessly to deliver on client needs at MATA. In house capabilities like engineering, technical, etc ensure that the most unique logistic challenges can be answered here.

# Go the distance with us

Services designed to meet your every need

## Full-Truck Load (FTL)

One of the most comprehensive logistics service providers in the country, MATA offers dedicated vehicle services from LCVs, MCVs, and all types and sizes of mechanical trailers from anywhere to anywhere across India.

## Part-Load (LTL)

With extensive reach, deep penetration of branch network and strategically located transshipment hubs, MATA leverages its hub-spoke model to provide seamless Part load (LTL) services across India.

## ODC Cargo/ Project Logistics

Heavy machinery, MT power transformers, large industrial equipment, MATA moves it all.

## Multi-Modal (Road-Rail)

Through rail and road, MATA moves your goods to North- Eastern states of India in the most cost-effective way.

## International Projects (End to End)

From inland movement to custom clearance at origin and destination as well as Ocean freight, MATA enables End to End international project cargo movement between India and abroad.

## Tea Movement

From raw leaf to packaged tea, MATA meets the tea movement needs across India with 40 company offices and 16 franchisees across all tea growing regions including North East.

## EXIM Cargo

With presence across all the key ports in India including Navasheva, Mumbai Mundra, Vishakhapatnam, Kakinada, Haldia, Kolkata, and Chennai, MATA offers expertise in handling movement of import and export cargo to and from the port.

## Fleet

Backed by in-house maintenance hubs, our owned fleet of 400 vehicles includes a versatile range across various axle types, trucks of varying lengths, LCVs, prime movers and more.

## Warehousing

MATA boasts of 1.5 million square feet of warehousing space spread across the length and breadth of the country. We provide infrastructure for temporary as well as long-term storage and warehouse management services to our clients.

## Route Surveys

With excellent knowledge of the Indian roads, we undertake route surveys as well as feasibility analysis for project sites by using dummy cargo movement trails for our clients.

**Our belief that nothing's too far is also about the audacity of your growth vision**

# Nation-wide presence

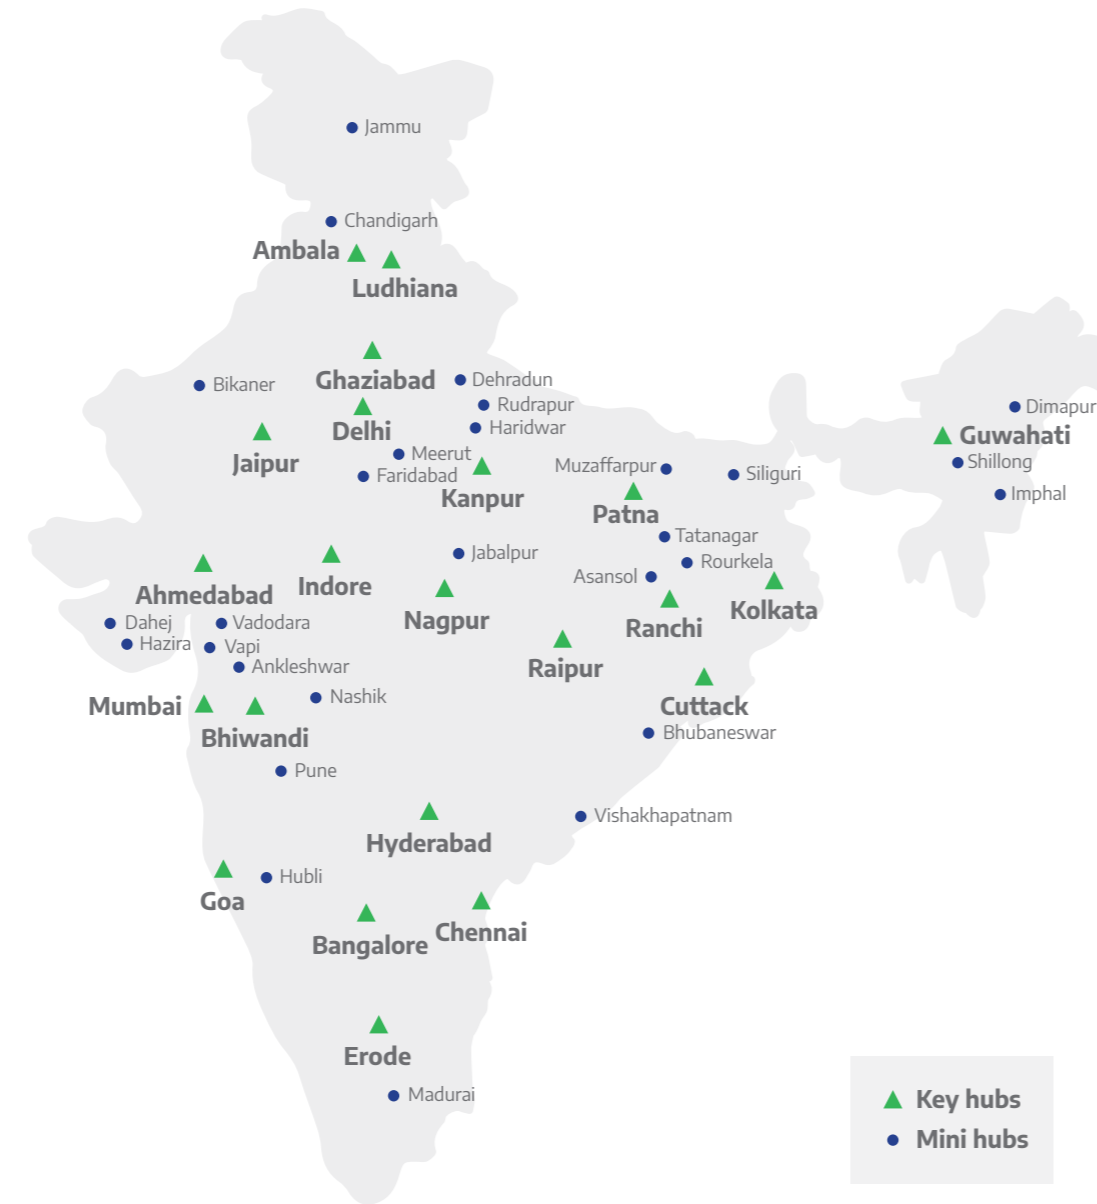

MATA offers one of the largest logistics networks in India with over 350 branches dotting the entire length and breadth of the country. These 350 branches and over 200 franchisees are connected through a strong network of over 20 Major and Mini Hubs located at strategic positions across India. With the mini hubs, MATA reaches to the last mile.

## Strategic presence – Key hubs

Ghaziabad, Raipur, Indore, Ambala, Ahmedabad, Jaipur, Bhiwandi, Bangalore, Kolkata, Siliguri, Guwahati, Chennai and Hyderabad

## Last Mile connectivity

Network of Mini Hubs that facilitate quick and safe, first and last mile connectivity to interiors of the country.
